RESOLUTION NO. 2007-12

Supporting the Current Schedule for the Downtown Streets Project

A RESOLUTION OF THE COUNCIL OF THE CITY OF DILLINGHAM, ALASKA, SUPPORTING MAINTAINING THE CURRENT SCHEDULE FOR REHABILITATING THE DOWNTOWN STREETS.

WHEREAS, the curbs and sidewalks of the downtown streets are in very poor condition, the pavement is thin, and potholes occur frequently;

WHEREAS, the storm drain system is inadequate; and the streets do not drain properly; and

WHEREAS, the buildup of snow and ice and water causes extensive damage to the streets; and

WHEREAS, this damage results in high maintenance costs for the city; and

WHEREAS, reconstructing the downtown streets is high on the City's list of Capital Improvement Projects; and

WHEREAS, the state DOT is in the design stage of the process this year; and

WHEREAS, the project will become more expensive as time passes; and

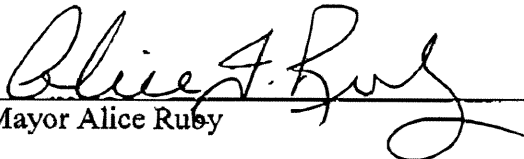

WHEREAS, the downtown streets are dusty and provide poor passage for pedestrians; now

THEREFORE BE IT RESOLVED, the Dillingham City Council encourages the ADOT to complete the project as expeditiously as possible;

BE IT FURTHER RESOLVED the Dillingham City Council supports keeping 500 thousand dollars for design in FFY07 and 2 million for Right of Way acquisition in FFY08 with 3 million for construction after FFY08.

APPROVED AND ADOPTED this 5th day of April 2007.
